child with a disability before the behavior that precipitated the disciplinary action occurred.

(b) *Basis of knowledge.* An LEA must be deemed to have knowledge that a child is a child with a disability if—

(2) Provided notice to the child's parents of its determination under paragraph (c)(1) of this section, consistent with § 300.503.

(d) *Conditions that apply if no basis of knowledge.* (1) *General.* If an LEA does not have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against the child, the child may be subjected to the same disciplinary measures as measures applied to children without disabilities who engaged in comparable behaviors consistent with paragraph (d)(2) of this section.

(2) *Limitations.* (i) If a request is made for an evaluation of a child during the time period in which the child is subjected to disciplinary measures under § 300.520 or 300.521, the evaluation must be conducted in an expedited manner.

(ii) Until the evaluation is completed, the child remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

(iii) If the child is determined to be a child with a disability, taking into consideration information from the evaluation conducted by the agency and information provided by the parents, the agency shall provide special education and related services in accordance with the provisions of this part, including the requirements of §§ 300.520–300.529 and section 612(a)(1)(A) of the Act.
